## Admissions Talk

**New**

*Double Degree Programme*

*Bachelor of Science & Master of Research*

# 6688 SCIENCE MASTER CLASS

Nov 24, 2020 (Tue) | 5pm

Register via ZOOM

<https://bit.ly/3294uv3>

(also the direct link to  
the talk on the date)

2021-22

### Speakers:

Professor Alice WONG, Associate Dean (Teaching & Learning), Faculty of Science

Professor Wing Sum CHEUNG, Director of Undergraduate Admissions, Faculty of Science

### Highlights:

- ❖ What are the key features of this new double degree elite programme?
- ❖ How does the curriculum structure facilitate students to attain 2 degrees in 4 years?
- ❖ What are the roles of Science Masters (renowned scientists in the Faculty) throughout the programme?
- ❖ How do they help students achieve their scholastic potential in their research fields?

Join us at our Admissions Talk and you will get to know the answers!
